GIFTS-IN-KIND

Goods and services that Carroll Athletics can use during the course of the year that normally must be purchased are often as valuable as cash gifts. Examples include air travel, restaurants, hotel accommodations, office equipment, gasoline, carpet, furniture and printing services. The Carroll Athletic Department reserves the right to accept gifts in-kind rather than cash gifts at its discretion based upon the department's need for the gifts offered. No gift in-kind will be accepted unless approved by the Carroll Athletic Department.

MATCHING GIFTS

A great number of companies will match employee contributions. If your company is a participant, you will receive credit for the total contribution; you can double your personal gift and increase your membership level (some restrictions may apply).
